WHO WE ARE

About Unique Engineers

Unique Engineers is a leading Indian engineering firm specializing in Plant Installation, Fabrication, Manpower Supply, Plant Maintenance, and Conveyor Installation for Automotive Paint Shops and Industrial facilities.

Operating continuously since 1999, we bring over 25+ years of hands-on expertise to every project. Headquartered in Mumbai, Maharashtra, with a works facility in Bhiwandi, we serve Automotive OEMs, industrial clients, and EPC companies across India.

Our workforce of experienced engineers, certified welders, riggers and supervisors ensures world-class execution on every engagement.

AT A GLANCE

Founded	**1999**
Headquarters	**Mumbai, Maharashtra**
Works	**Bhiwandi, Maharashtra**

WHAT DRIVES US

Mission · Vision · Hallmarks

MISSION

Engineering with Integrity

Unique Engineers — characterized by integrity, competency and reputation, and in continuous operation since 1999 — offers the best Fabrication & Installation works at a fair and reasonable price. We operate equitably, ensuring the security and welfare of our employees.

VISION

A Trusted Global Partner

To be the most trusted execution partner for automotive paint shops, conveyor systems and heavy industrial installations across India and beyond — recognised for craftsmanship, safety and on-time delivery to global EPC standards.

EXPERIENCE

25+ Years of Specialisation

Specialising in the Automobile industry since 1999, our team includes expert layout engineers, tested & certified welders, skilled labour, experienced riggers and helpers with complete installation knowledge of Paint Finishing Systems, Conveyor & Handling Systems.

OUR HALLMARKS

- Creative approach to complex engineering problems
- Experienced staff versed in fabrication & innovative technical work
- Ready to take any challenge without delay — vital to clients
- Highly regarded for engineering excellence and skilled manpower

DIFFERENTIATORS

Why Choose Unique Engineers

25+	**Years Experience** Continuous operation since 1999 across India's top automotive & industrial clients.	**ZERO**	**Zero Casualty Record** Zero casualties since 1999. High-standard PPE & safety protocols on every site.	**A→Z**	**Turnkey Capability** End-to-end project execution from mechanical prep to commissioning and beyond.
500+	**Large Workforce** Skilled personnel — certified welders, riggers, fitters, engineers, supervisors.	**OWN**	**Equipment Fleet** Extensive in-house machinery — welders, grinders, drills, compressors, chain blocks.	**EPC**	**Global OEM Partner** Trusted vendor to Eisenmann, Dürr, Bullows, Taikisha, TEIL and other global OEMs.
MIX	**Multi-Sector Expertise** Automotive, EV, heavy engineering, gas pipelines — versatile across sectors.	**NT**	**Non-Toxic Compliance** Silicon-free, non-toxic tools & consumables per automotive paint shop standards.	**SCL**	**Scalable Operations** Workforce & equipment scaled to project demand. Multi-site parallel execution.

www.uniqueengineers.com · +91 9920555852 · murtaza@uniqueengineers.com

WHAT WE DELIVER

Core Services

01

Paint Shop Turnkey

Complete turnkey installation of automotive paint finishing systems.

02

Conveyor Installation

All types of conveyor & material handling systems including Power & Free.

03

Steel Structures

Fabrication & erection of heavy steel structures up to 400+ tons.

04

Industrial Gas Piping

CGD, NGPL pipeline & industrial gas piping projects.

05

Plant Relocation

Complete factory dismantling, shifting & re-installation.

06

Booth, Oven & Ducting

Installation of spray booths, curing ovens, ducting & chimneys.

07

Process Tanks & Tunnels

PT / CED / ED tank and tunnel installation with piping.

08

Shutdown Services

Specialised planned shutdown maintenance & modifications.

09

Plant Maintenance

Ongoing conveyor & equipment maintenance with manpower supply.

10

Robot Installation

Painting robot erection & commissioning (ABB and other OEMs).

11

Glass & Glazing

Supply & installation of **Certified** toughened & safety laminated glass.

12

Manpower Supply

Skilled & semi-skilled workforce for production & commissioning.

BEYOND CORE SERVICES

Additional Capabilities & Supplies

Beyond core engineering services, Unique Engineers provides specialised supply and installation capabilities across industrial and automotive plants:

Toughened Glass Supply

Supply of toughened safety glass and all types of safety laminated glasses for plant & automotive vehicles.

Non-Silicone Gaskets

Supply of specialised non-silicone PVC and EPDM gaskets for plant & automotive vehicles.

Exhaust & Supply Ducting

Ducting & chimney installation up to and above the roof with crane, including hot-air and exhaust systems.

Heavy Machine Installation

Heavy-duty machine installation, machinery erection & commissioning of various industrial equipment.

Aluminum Doors & Windows

Installation of specialised aluminum doors and windows for industrial facilities.

Hardware & Tool Supply

Supply of hardware, hand tools, power tools, and industrial consumables to client specification.

Mechanical Demolition

Demolition of Mechanical structures as part of plant modification or relocation programs.

ASU / ARU Installation

Air Supply Unit (ASU) & Air Recirculation Unit (ARU) installation and commissioning.

Utility & Process Piping

Installation of process and utility piping, including PT / CED piping systems.

D-Sludge Systems

D-Sludge installation and commissioning for paint shop wastewater treatment.

www.uniqueengineers.com · +91 9920555852 · murtaza@uniqueengineers.com

SECTOR EXPERTISE

Industries We Serve

01 Automotive OEMs

Passenger cars, commercial vehicles, tractors and electric vehicles — paint shop & assembly systems.

02 Heavy Engineering

Industrial plants, fabrication units, steel structures and plant relocation programs.

03 Industrial Gas

CGD, NGPL & API SPEC 5L pipeline projects and industrial gas piping systems.

04 EPC Contractors

Sub-contracting for global paint shop OEMs: Eisenmann, Dürr, Bullows, TEIL, Taikisha.

05 Manufacturing Plants

Complete plant installations, maintenance and ongoing production support.

06 Electric Vehicles

EV manufacturing facilities including OLA Electric and Wheels India EV Division.

ZERO CASUALTIES SINCE 1999

Safety: Our #1 Priority

SAFETY RECORD

ZERO

CASUALTIES

SINCE 1999

Stringent PPE compliance and safety protocols enforced on every site since inception.

Fall Protection

140 Full Body Harness Arrestors · 20 sets of 100 m Life Lines

Fire Fighting

60 ABC Extinguishers · ISO Certified Fire Blankets, Buckets & Hose Reels

Respiratory Protection

Full range respiratory protection equipment for all site personnel

Personal Protection

Hard Hats, Ear Plugs & Muffs, Face Visors, Safety Glasses, Welding & Lifting Gloves

Site Safety Kit – PPE Kit

Safety Signs & Tapes, Storage Cabinets, Welding Blankets, Air Horns, First Aid Kits

Non-Toxic Compliance

All tools, materials & consumables are Silicon-Free and Non-Toxic (per Paint Shop Norms)

TURNKEY INSTALLATIONS

Automotive Paint Shop Projects

New Holland CNH — Noida Surajpur

Turnkey: Booth, Ducting, Chimney, Oven, ASU, Glass, D-Sludge, P&F Conveyor 900 m, Platform, Commissioning

Nov 2013 – May 2015 | Ref: Eisenmann India

MATE Chennai — Chennai

Turnkey: Booth, Oven, PT/CED, Ducting, Chimney, D-Sludge, Steel Structure, Conveyor, Glass, Commissioning

Apr 2012 – Mar 2014 | Ref: Eisenmann India

MATE (Mother Son) — Tapukera

Entire Paint Shop: ASU/PT/ED/Booth/Oven/Ducting/Chimney, 300 T Steel Structure, Glass, D-Sludge, Commissioning

Completed | Ref: Eisenmann India

India Yamaha — Noida

Conveyor 1100 m + 700 m; Piping PT/ED, ASU, Booth, Ducting, Chimney, Glass Supply & Installation, Commissioning

Jan 2012 – Apr 2012 | Ref: Eisenmann India

JCB India — Haryana

Turnkey: Booth, Oven, Ducting, Chimney, Various Enclosures, Glass Installation

Sep – Nov 2017 | Ref: JCB India

Escorts India — Haryana

Turnkey: PTCED Tanks, Booth, Oven, Paint Kitchen, Ducting, Chimney, Piping, Conveyor 150 m, ASU, Glass

Sep – Oct 2017 | Ref: Escorts India

TURNKEY INSTALLATIONS

Automotive Paint Shop Projects

Forbes Marshall — Chakan, Pune

Turnkey: Booth, Oven, ASU, Glass, Paint Kitchen, Ducting, Chimney, Piping, Conveyor 100 m, Enclosures

Jul – Nov 2016 | Ref: Leo Surface Finishing

HUF India — Chakan, Pune

Turnkey: Booth, Oven, ASU, Glass, Paint Kitchen, Ducting, Chimney, Conveyor 250 m, Enclosures, 5 Robots

Oct 2015 – Feb 2016 | Ref: B+M Wurster India

Greaves Cotton — Chakan, Pune

Dismantling & Re-Installation: Booth, Oven, Paint Kitchen, Ducting, Chimney, Piping, Conveyor 150 m, Enclosures, ASU, Glass

Dec 2016 – Feb 2017 | Ref: Bullows India

Mahindra & Mahindra — Zaheerabad

Booth, Ducting, Chimney, Oven, ASU, Glass, Overhead Conveyor 750 m, D-Sludge, Commissioning incl. Various Shutdowns

Oct 2012 – Feb 2015 | Ref: Eisenmann India

Mahindra & Mahindra — Nagpur (Shutdown)

Turnkey Shutdown: Booth Modification, Process Tanks, 150 T Structure, D-Sludge, Glass, Commissioning

Aug – Sep 2011 | Ref: Eisenmann India

Mahindra & Mahindra — Rudrapur (Shutdown)

Turnkey Shutdown: 170 T Steel Structure, Piping for PT/ED, Booth & Oven Modification, Glass

Oct – Nov 2011 | Ref: Eisenmann India

CGD · NGPL · API SPEC 5L

Industrial Gas & Pipeline Projects

Mukand Engineers — Taloja MIDC

Industrial Gas Piping (4" Dia) — Piping Fabrication & Installation, 0.5 m depth, 1.5 km length at Taloja MIDC.

Jan 2016

Ref: Hindustan Copper Ltd

Bareli Pipeline Project — Bareli

Pipeline using API SPEC 5L — 1 m depth, 8" diameter, 1 km length each. Major cross-country pipeline project.

Apr 2014 – Oct 2015

Ref: Mukand Engineers

GAS & PIPELINE CAPABILITIES

- City Gas Distribution (CGD) Projects
- NGPL (Natural Gas Pipeline) Projects
- API SPEC 5L Pipeline Fabrication & Installation
- Industrial Gas Piping (up to 8" diameter)
- Underground Pipeline — Trenching to 1 m+ depth
- Gas Piping Fabrication at Shop Floor or Site

DISMANTLING · SHIFTING · RE-INSTALLATION

Plant Relocation & Factory Shifting

Wheels India (EV Division) — Chennai

Complete dismantling and re-installation of entire plant. Commissioning support and other site activities.

Completed — Ref: Bullows Paints Equipment

Greaves Cotton — Chakan, Pune

Dismantling & Re-Installation of Booth, Oven, Paint Kitchen, Ducting, Chimney, Piping, Conveyor 150 m, ASU, Glass.

Completed — Ref: Bullows India

HOUSEWARE Limited — Gumdipundi

Dismantling & Re-Installation of Booth, Oven, Paint Kitchen, Ducting, Chimney, Conveyor 150 m, ASU, Glass.

Completed — Ref: Bullows India

Royal Enfield — Chennai

Re-strengthening of Conveyor Structure; Installation of Additional Supports to the Roof Structure.

Completed — Ref: Direct

Eicher Volvo — Pithampur, Indore

Loading, Unloading and Plant Material Handling for Mahindra & Mahindra; support activities.

Completed — Ref: Dürr India

TATA Motors — Pimpri (Conveyor J–K)

Turnkey Installation: Conveyor System from J to K Block — 2000 Running Meters, including complete infrastructure.

Completed — Ref: Direct
